#### A FEW THINGS TO KEEP IN MIND

Due to the popularity of our 50% off promotion on HAPPY MONDAY, please be advised of the following:

- Unfortunately we cannot hold reservations for 15 minutes as usual and are not able to seat those who arrive late for their reservations
- We will not reconfirm your reservations with you briefly prior to your booking date as usual
- Regrettably we will not be able to accommodate table preference as seating is subject to availability
- In order to accommodate everyone, dining hours will be limited to a maximum of two hours per table
- At least one food item and one drink item must be ordered per person to participate in the promotion
- At this time we can only take reservations up to 30 days in advance of the promotion date
- Please note that other seasonal or promotional menus will not be served on each HAPPY MONDAY
- Please note that our 50% off promotion is not valid for take away
- There will be no free water served during the promotional hours, so why not try one of our half off Paulaner beers!

Thank you in advance for your understanding and cooperation!
